Privacy Statement

Nimbus Telecoms appreciates your visit to our website and your interest in our products. Your right to privacy and data security is our primary concern. We want you to feel comfortable visiting our site. By accessing or using the web site, you agree to our Legal Terms as outlined. Nimbus Telecoms follows the RSA Data Protection Directive and its national legislation; please refer to the relevant RSA Directives.

Personal Data

Under some circumstances, i.e. when ordering printed matters, Nimbus Telecoms may provide you with a form to enter personal information about yourself. It is completely optional for you to engage in these activities. We need your personal information only to process your inquiry correctly. All data will be treated confidentially: Nimbus Telecoms does not share user data with third parties.

Security

Nimbus Telecoms recognises that your privacy and security are of the utmost importance, and we have devoted a great deal of effort to ensure that your personal information is safeguarded. In order to secure highest security standards, we use technical and organizational security measures. Our security measures are continually updated as new technology becomes available. This may cause changes in for example the use of cookies.

Cookies

Nimbus Telecoms uses cookies to follow the preferences of our visitors and optimize our Websites accordingly. A cookie is a small text file, which is placed, with your permission, on your computer's hard drive. You can activate or deactivate the use of cookies any time. However, we have made every possible effort to ensure that our web site will work just the same, even when you do not use cookies. Dynamic Business Systems makes use of two kinds of cookies: temporary and log cookies. A temporary cookie is used to maintain the user's session and to tell the server which page to call up next. Log cookies tell us which pages are being used. Cookies help us to improve our web site to better meet your needs. However, a cookie holds only technical data; it does not tell us your email-address or who you are.
